

## Village Home Learning - Covid 19 Lockdown

### Literacy

#### Writing

Choose a writing prompt from this list [Writing Prompts](#)

- Brainstorm ideas
- Write an example
- Children write independently
- Talk about the writing
- Make changes
- Share with an audience

#### Reading

Choose the appropriate level for your child. [Sunshine Online](#)

Logon as student:

Username: rrs123

Password: rrs123

### Maths

#### Strand

Look at measuring around the house.

- Start with estimations/guess
- Write down your guess
- Use a ruler to double check
- Write down actual length
- How close was your guess?

#### Number

Play board games with dice, encourage counting.

### Inquiry

Hopefully we will be able to go out for walks out and about our neighbourhood.

As you walk around, take some photos of unusual things you discover such as miniature figures, interesting houses, coins cemented in the concrete etc. When you get home try and draw a picture of what you photographed.

Can you use old cardboard to make a model of the house?

If we can't walk about, take photos around your home.

Depending on age of student ideally 15-20 minutes each area, unless particularly enthusiastic on learning.
