group will be going on
Tuesday the 31st of
May.

The Hub will be going
on Thursday the 2nd of
June.

Inner city schools
crosscountry Thursday
the 2nd of June.

Week 5 Update

Welcome to a busy week 5.

Welcome especially to our new students and their families.

We have been loving learning about Under the Sea. We are getting very excited for the trips this week to Kelly Tarltons. Please ensure you read the school communication regarding permission and payment for this. Thanks to all the parents who offered to join us it will be a fantastic trip.

Cross Country

After a very wet week Yr 4-6 cross country was held on Friday the 27th of May at Grey Lynn park Well done to all our participants.

Junior school cross country will be held later this term. Well done to everyone that participated and good luck for the Inner city schools cross country event held on the 2nd of June.

Creative Fridays will be starting on Friday the 3rd of June. We look forward to fun things we have planned.

PB4L

Last week we talked about "being responsible for our learning".

This week we will be discussing and learning about choosing a good spot to work in.

Many of us are fast filling up our sticker charts! Well done.

The Village- Our students have been having fun in Discovery time and maths:

Below are some photos of us in action.

We have enjoyed making sea themed creations in the past few weeks. Submarines, shark masks and jelly fish were just some of the awesome things made. Below Shray is busy constructing his submarine, while the boys build a castle.

Bottom right Rudra shows off his beautiful fish as part of a fun measurement activity in room 3.

Awards- Last week these students received special mention and an award. Well done these students!

Tessa's Learning Group: Scarlett Taylor
Stacey's Learning Group: Miriama Smith
Catherine's Learning Group: Tommy Brown
Katie's Learning Group: Charlie Evans
Vivienne's Learning Group: Nico E, Leo L.

Some of our successful runners from Friday.

The Hub

Road patrol parent helper super star needed.

If any one is available to help out with our school road patrol on Monday and Tuesday afternoons from 3 till 3.10 please let the office know. We really appreciate the generosity of the community helping our school.

BLOG SPOT!

We'd love to get some comments on the blog from anyone who read it. This would be great to share with the class. You can comment by clicking the 'no comments' link and it will take you to a page where you can type in a message. I've included an image to help you if you're not too sure. There is information about commenting in red and about getting notifications about new posts in blue.

KC Hub News:

Seraphine Rive and Theo Gorman represented us at the National Young Leaders day at Manukau on Thursday. We are proud of them and thank them for their enthusiasm.

During our Mandarin sessions with Menghan we have learned the names for some animals. We painted Pandas using ink. We are looking forward to our trip to Kelly Tarltons. We have been considering environmental issues involving marine life and environments. We have some great "I wonder..." questions. Some of us have used the computers for research while others have used books and questioned 'experts'.
