Wednesday from 1:15-2:00pm.

Choir Practice with Laela

Come see our wonderful students share their talents.

Friday from 12:30-1:30.

Water Only School

PB4L- Respect For Others

This week we have been focusing on showing *respect to students and staff during production, including practices, by being on time, by being where I am meant to be, by listening and participating actively.*

The Village

Rachel Walker visited the Village and showed us how to use New Zealand Sign Language to communicate to her and to each other. We learned how to say our names, ask each other about our names, and some animal names. Thank you Stacey for organizing her visit. We have had some amazing Discovery Time art sessions. The children have absolutely taken to it like fish to water. Congratulations to the following students for receiving a certificate at Week 8's assembly: Nico, Dash, Ike, Francesca, Ted, Aubrey, and Evander (photo-left to right).

The Hub

We have again had a very exciting and busy couple of weeks.

We all enjoyed an interesting show by Bruce Potter, an illustrator and author. Many of us have since practised the techniques Bruce shared with us. We also purchased Bruce's book "Doodle Bug" as a reminder of his visit.

Constable Rob came to speak to us about Cyber Safety. We had a great discussion about keeping ourselves safe while working online and when using different social media outlets. Please ask your children about what they learned and we trust that you will reinforce these important messages at home.

During literacy we wrote letters to students in France. We have each received a letter from one of these students and we are now beginning to write our replies. We hope that some of these friendships will continue to grow.

We also thoroughly enjoyed the Eco Hero Show, which taught us a lot about being responsible for our environment. We especially loved the different You Tube rap songs that showcased important messages for sustainability.
