Term 4

Term 4 starts back on the 16th October.

Our PB4L Focus for this week is:

I show respect to others at morning tea and lunch by telling a duty teacher if I see something unsafe.

HUB NEWS

We had a fantastic time at the senior disco. What a great way to celebrate a very busy term which has been full of excitement and learning.

We are also enjoying bringing our Construction Inquiry to a close with a new Inquiry Grid. Our students are enjoying being able to choose their learning activities to work on developing their independent learning research skills.

In the Hub we have discussed the forthcoming general elections and we have placed our votes. We viewed videos to prepare ourselves to vote and we had some lively discussions in class. It will be interesting to see the results of the kids voting.

We are looking forward to our move to the new building early next term. We have enjoyed watching this building grow and now to near completion. Some of us have sketched the building progress over recent weeks. This has complimented our Construction Inquiry.

Thank you to all our parents who booked to contribute to conferences with your child. Our students prepared well in order to discuss their learning and next learning steps. Your participation is appreciated.

VILLAGE NEWS

It has been all go in The Village during the last two weeks.

We got our groove on at the school disco. Thank you Miss Seba who is multi talented and become an awesome DJ for the night. Also a huge thank you to all the parents that were able to come in and help with the set up prior to the disco starting and for the parent help during the disco. It is hugely appreciated by all.

The Warriors

The Warriors visited us and taught us about the benefits of a good night sleep, nutrition, hydration, and being active. They also were open to an impromptu Q and A session.

Puss In Boots

We had the pleasure of being entertained by extremely talented actors in the Puss In Boots play.

Week 8 was Te Wiki o te reo Māori. The village celebrated Māori language week by singing beautiful waiata, consolidating Te Reo Māori words of te haurere- the weather. Rooms 4 and 5 did some amazing koru art. They started with experimenting with pencil drawings of koru and then used koru stencils and coloured paper for our bigger piece of work. Tumeke tamariki ma! (Awesome work everyone)
