

## KC News

Welcome back for Term 2.

We hope you are all rested and ready for this term and that you enjoyed time together during the holidays.

We welcome our two new teachers to the Hub. We have Barbara Henderson and Stephen Platt now working alongside Seba.

Our Village teachers and students are eagerly awaiting our move to the newly renovated building. We are excited to be moving closer to the Hub – finally all our KC classes will be close together.

We guess you will have seen our swimming pool back on the lower court. Our swimming sessions will commence shortly. Please watch out for the timetable. This will be out soon. Your child will need swim togs and atowel. Goggles and caps are optional. All gear must be named and in an appropriate bag please.

## PB4L Focus

Settling back into routines: I show respect to my teacher and my classmates by being on time and ready to learn soon after the end of each break. I work towards achieving my math and literacy goals.

## Inquiry

We have commenced our new Inquiry with the big question of “How did that get in my lunchbox?” We look forward to seeing what directions this inquiry may take us. There are so many possibilities.

We will again have our Wonder Walls with the students’ questions that they want to pursue the answers to.

## Important Dates & Times

Assembly hosted by the Nest students: Friday 11 May, 9.15am in our school Hall

Trip to Body Worlds exhibition: Years 4-6, Tuesday 15 May, 9.30am – 1.00pm

Our Gardening Club is again starting up on Wednesday lunchtimes (weather permitting). All students are welcome. They just require shoes. All tools are provided.

Steve and Barbara, our new Hub teachers
