**Week 3, Term 1, 2018:**

## This years trip and activity fee due

We are starting to plan our trips and activities that will support Mua I Malae's learning this year and have some very exciting things in mind such as visiting the Pacifica Center and the Zoo Bugs Lab. However, we need to collect everyone's \$80 fee which will cover all the trips and activities we would like to book this year.

Paying the total fee reduces the work for our teachers. When they are have to chase individual trip payments which are often last minute, this raises our teachers stress levels.

We would really appreciate everyone's support in being able to pay this now so that it makes preparing for trips enjoyable and stress free.

We always need parent help on trips and so you will always hear about our trips and when they are.

Please pay online at our school online shop accessible from our website or at this link <https://shop.tgcl.co.nz>. Eftpos or cash at the school office.

## Please sign the generic consent form

In addition to the activity fee payment, we would appreciate everyone signing the Generic consent form. Teachers then won't need to collect a consent form for every single trip. Signing one form reduces our teachers workload. The consent form was handed out on today. In case it got lost, here is the link to the form: [LINK](#)
