A fantastic ukulele performance by some of the MIM kids and Tauai for the school assembly last Friday.

GREY LYNN LIBRARY TRIP on Thursday

Thank you to those who have paid for the trip to the Grey Lynn Library for our performance to Newton School and the community. To be able to participate we need all payments made tomorrow. Thank you for your support.

NEWS

The latest classroom renovations are nearing completion. The Ministry of Education have made it clear that each of the four classrooms are to be used as a classroom. With this in mind and looking at the overview of the school it has been decided that the four Kiwi Connection classes from the Village will move into the classrooms, which will enable the Kiwi Connection team to be together as a team.

This also allows Mua I Malae to be able to have a spare classroom to use for break out teaching and a place to meet all together, which wouldn't be able to happen should they have moved back into this space.

Waste Free Lunch to School helps to keep our school environment litter free. Thank you for sending lunches to school that are litter free, such as no gladwrap or packets.

MiM Zoo trip

Talofa lava ia outou susuga matua o Mua i Malae

In the first week of term 2, on the 4th May (Star Wars day) we are going to the Zoo. While there the staff will take us for an education session and get to visit the Bug Lab. The inquiry topic for Term 2 will be about bugs.

Bug lab is a blockbuster science exhibition developed by New Zealand's world-famous museum, Te Papa, with the Academy Award© winning Weta Workshop

Cost is \$17 per student. Which includes the Bug Lab and zoo entry, bus and supporting adult entries.

We need 4 parents to help on the day please email Emma [emma@richmondroad.school.nz].

Please pay \$17 as soon as possible via our online shop or via internet banking 12-3011-0757539-00 and use your 'child's name' and 'MiM zoo' as a reference. If you have paid your \$80 activity fee, you do not need to pay anything else for this trip.

Body Worlds Exhibition - Years 4 to 6

Tuesday 15th May

On Tuesday 15th May our Years 4 to 6 students will be participating in The Body Worlds Exhibition at the Hilton Exhibition Centre located at Princess Wharf. This opportunity is the first exhibition of its kind to educate students about anatomy, physiology and health.

It will also act to reinforce our learning about the Brain during the term as well as complimenting our science related inquiry in term 2.

We will be leaving school at 9:15am and returning at 12:30pm on this day. We will be travelling by bus. Rōpu newsletters will contain more information on parent helpers required to help support our learning on this day.

It would be great if you could refrain from taking your child to the exhibition during the holiday break so they can join their classmates and kaiako for the experience.

More information about the exhibition can be found at the link below: <https://goo.gl/vMCvfQ>
