Mini market

Our kidpreneur group will be having a mini market in week 9. The students in our business tycoon group have a variety of different ideas with the goal of planning and implementing their business plans to make a profit at the mini market. Some of our kidpreneurs will be selling a product, providing an experience or a service. Please support our students in week 9 at the mini market.

Mini market and TWW

On the mini market day we thought that it would be a fantastic opportunity for Te Whānau to have a bake stall whereby the proceeds will be donated to a charity (marae) of our choice. Could each child bring along baking for the stall. A reminder will go out before the market day. Thank you for your co operation.

Matariki

Permission slips will be going home this week for our Matariki celebrations with Kowhai Intermediate and New Windsor Primary school. Fortunately, the komiti matua have offered to cover the cost of the bus which means all students will only have to pay \$5 each for the hakari. (Tēnā kōutou katoa ngā matua)
