

# TE WHĀNAU WHAARIKI

Week 9 Term 2 2016

Ka mau te wehi e rūma 17!!!

Last week saw our tamariki from Whaea Laela's room lead our whole school assembly. Archay and Mahinaarangi were fantastic as our MC's with Archay speaking in Maori and Mahinaarangi giving the english translation. They then stood showing their beautiful Marama posters with Waimana, Isla and Mahina sharing a fact about the moon with the school. Archay showed great skill in gaining the tamariki attention and both spoke clearly and confidently.

Ka kino kē koutou!!!

Coming up:

Wk 9:

Rāapa - Book Character parade

Rāpare - Rugby League Competition

Rāmere - Arts Celebration and market day.

Wk 10:

Rāhina - Matariki Celebrations at Kōwhai Intermediate

Rāhina ki Rāmere - Te Wiki o Te Reo Māori

Rāmere - Last day of Term 2

## Te Hoko Taonga

In rūma 17 we have a quickfire game we play in math. We use promotional flyers that display a price for goods and Whaea Laela sets a price limit that we have to reach. The group that comes closest are the purchasing champions!

In this round we had Mahinaarangi and Mahina pair up. The both of them got the closest to the \$1000 target becoming the class champions.

The tamariki love playing this and it's great for their addition, subtraction and counting money skills. Perhaps you can have them helping with the shopping budget on your next trip!
