

Te Whānau Whaariki

Ma te huruhuru
Ka rere te manu

He mihi nui tēnei ki ngā whanaunga katoa i tae mai ki te tautoko i tō tātou roopū kapahaka. Ko te katoa o ngā kōrero e harikoa ana, e māharo ana i te tū o ā tātou tamariki.

A huge thank you to all the whānau who turned up to our dress rehearsal. All the smiles, clapping and comments were extremely positive, nā reira ngā mihi.

A massive mihi also to all those who helped with hair, make-up, hall duty, cleaning up, piupiu rolling and everything else. We can't do it without you.

Our first teaching of Māori games took place last Thursday with classes from Kiwi Connection.

The pōtiki class taught hand games. The tuakana class taught Rākau peke, and our mataamua class got competitive with some Ki o Rahi.

This week we look forward to teaching our whanaunga from Mua i Malae our wonderful Māori games and increasing the whakawhanaungatanga between our roopū.

PB4L

Our PB4L focus this term is showing respect for others.

This week when we are in the classroom we show respect to others' learning.

We share ideas when it's a good time to talk and we are quiet when we have been asked to work quietly.
