

# Te Whānau Whāriki

Ka Moemoea Tātou Ka Taea

Tena koutou e te whaanau whaanui, kare e kore kei te tino pukumahi i ngaa taura i roto i nga mahi maha o te kura. Lots of learning in and out of the classrooms. Our swimming with our Tuakana and Potiki was a very positive experience with our tamariki gaining more confidence and also learning to keep themselves safe around and in the water e.g; To enter and exit the pool safely; Learning floatation and submerging in the water with our potiki. A huge mihi and thanks to Nana Huia for supporting and assisting with our babies making sure our less confident swimmers have their lifejackets ready to go and making sure their wet clothes and belongings are all with them. A big mihi to our beautiful Mataamua Charlotte and Nia for helping with our babies too.

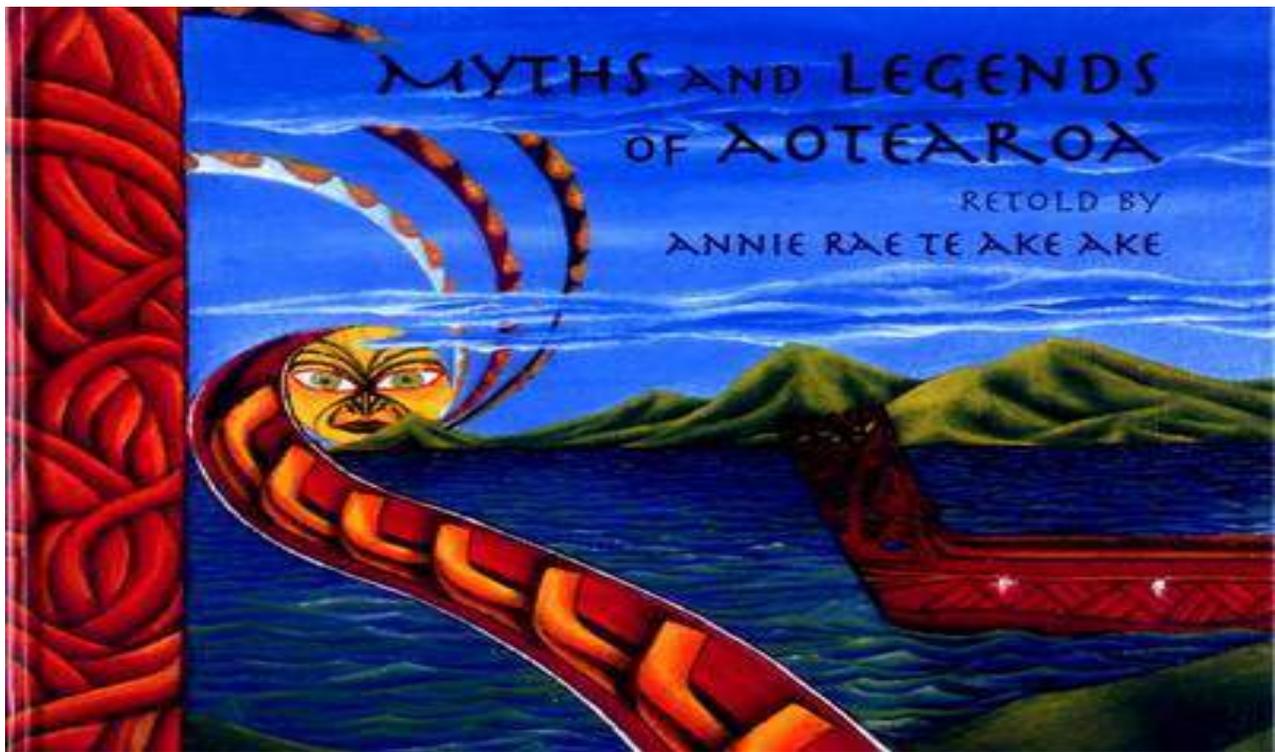

## PB4L

Our focus this term is 'Respect for ourselves'.  
I will bring my hat to school everyday and wear it.  
I show respect by looking after equipment and stationary.  
I will put things away in the right place and look after glue sticks, rulers etc.  
Children who do not wear hats will be monitored on the steps under the big shade cloths. 'NO HAT NO PLAY'

## Ngā Kaiako

Friday's Art Rotation. For last few weeks Matua Mohi and I have been introducing and exploring a wide range of instruments to our students, from bongos, triangle, shakers, tamborines to ukalele and xylophone. So much noise and fun!

Matua Troy: Toi Ataata (visual arts)  
Whaea Laela: Kanikani  
Matua Taurua: Pūoro (music-beats and notes)  
Nana Huia: Tunu kai
