Ka Moemoea Tātou Ka Taea

Tēnā koutou katoa!

We are well underway with term 2 and the many activities happening both in class and throughout the school. We know some tamariki are returning home talking about their costumes and needing to make them (or buying in some cases). They will be making them as part of their technology focus however the majority of this will be done at kura. We will be sending 'wish lists' for materials part way through this term.

Lateness: We have noticed a lot of tamariki are coming to kura late. What we are observing is that if tamariki are late they find it difficult to settle as are unaware of the timetable for the day that is explained at roll call. Please talk with kaiako if there is anything we can help you with.

Our focus this term is 'Respect for Others'.
I will show respect by making good wet day choices.

AFL - Assessment for Learning

Last year we started on a professional learning pathway for AFL. We were fortunate to have Aroha Heaslip return and continue this with us. We will present a short kōrero about this and the learning in the classroom at next weeks whānau hui.

Nana Huia will be partaking in a full day course at the end of June. The programme is called Steps and is based around an English spelling programme. Ka rawe e nan!

MINDFULNESS and YOGA AT RICHMOND ROAD SCHOOL

⌘Wednesdays 3.15-3.45pm at Richmond Road, Room 19 by the bottom courts opposite the whare nui 5 week intro course: June 7th - July 5th .

The Kindness Institute specialises in mindfulness education and we've seen great benefits for students' learning, listening, confidence, improving sleep, focus and anxiety. Mindfulness is being practiced in many schools and is an evidence based tool that can be used over a lifetime to reduce stress and anxiety (which isn't unique to adults) and support people's ability to flourish.

Our program is developed based on research out of Holistic Life Foundation supported by Harvard and Jon Hopkins Medical School. In this fun course, we explore mindfulness meditation in a hands-on way through group & partner activities, art & crafts, play & breathing.

Children will learn about focus, calmness, gratitude, self love, stress management & yoga asanas. We take a small number of students over the term. All year levels (Y1-6) are welcome in this course.

The course is \$100 for the 5 weeks. Please click on the link below if you would like to make a booking.
