NGā AKOMANGA

Kei ou Ringa

Across Te Whānau Whāriki we are introducing a new independent learning programme called, Kei ou Ringa. It supports our tamariki in all areas of Te Reo Matatini and Pāngarau.

This move is in support of moving through to an ILE environment which Whaea Laela and Matua Taurua have implemented this term. We will continue to have our home groups but have created a shared space for learning where our tuakana and teina can work side by side helping and supporting each other.

We will be discussing this more at our

whānau hui this term so please come along.

We welcome all whānau to come and visit our akomanga, sit with and share the reo with our tamariki.

JUMP JAM

A HUGE congratulations to our RRS Jump Jam team who have made it into the national Jump Jam competition in October.

They did so well in their initial competition video that they have been put into the open grade (rather than novice) even though this is our first attempt.

They are hard at work practicing and strengthening their routine. It's great to see our own Charlotte competing alongside other girls throughout the units.

MATARIKI

Matariki was a huge success at the end of last term. Both Kowhai Intermediate and New Windsor left happy with their art pieces, slime bags and full puku!

We'd especially like to give thanks to all those whānau who helped out before, during and after. These events can never be possible without your support and we appreciate you all so much!

Next year we look forward to going over to New Windsor for Matariki 2018.

MAHITAHİ

One of the areas we are focussing on is mahitahi. This is especially important as we move through to an ILE learning space and our tuakana/teina mahi.

One way we are strengthening this is by using BP and STEM challenges which encourages out of the box thinking and collaborative work. Here are some pictures of a STEM activity where they needed to make a shoe using 6 pieces of newspaper and only 6 strips of tape...
