### NGā AKOMANGA

Te Reo Matatini - Kei waenganui mātou i ō mātou mahi, tuhinga tohutohu. E hono kaha ana tēnei momo tuhinga ki ō mātou mahi mō te Fantastic Fridays, ki nga mahi pūtaiao hoki!

Fantastic Fridays - Our ākongā are well under way on their projects. The DIY-ers are busy measuring, cutting templates, sourcing materials and piecing together their planned mahi. The movie students have finished their scripts and are now moving into full production with filming, dances and location work to be finalised. And our science projects are en route to explode our minds with their facts.

Just a reminder that if you have any of the following to please bring it in for our tamariki projects:

Jars

Plastic bottles (large)

Ribbons, felt, sparkly stuff.

## ILE

As discussed at the whānau hui, our years 1-4 have moved into an innovative learning environment. The ākonga have just completed learning how to be successful at the 5 activities of Kei ou Ringa and are now moving through to making independent choices with these activities.

Our tuakana/teina relationships are developing and strengthening with some tuakana showing great leadership skills.

Here are some whakaahua displaying these taukana/teina relationships in learning:
