## KEI OU RINGA

One of our incentives for this programme is to reward tamariki who are showing success in their learning by making the right choices. We have finished learning what it looks like, sounds like and feels like when the whole class is on task. Now the tamariki are moving through making their own choices as to which activities to complete over the week. We have 3 tamariki who have gained their learning licences, which means they can work anywhere in TWW. Here is a photo of what these look like:

## HINEPAU

Last week we were blessed with a whakaari production of Hinepau. The actors and actresses were entertaining and kept the attention of the tamariki. They laughed, jumped in fright and felt the wairua of the story. Ko te mea nui o te whakaari nei, ko te reo Māori. He reka rawa te reo i puta mai, he ataahua hoki nga reo waiata o ngā kaiwhakaari.

## MOTAT

We had a fantastic trip to Motat last week! The tamariki were overwhelmed with excitement looking and interacting with the exhibits. It was great to have so many hands-on displays. They participated in an education segment with a science focus working in groups to complete science tasks. Thanks to matua Aubrey who got in behind the parent-lead tour and completed his set of exhibits to find. A huge mihi to all our parents and support whānau who helped on the day. We say it all the time but without you, these things are impossible so thank you!!!

## WHANA POIKIRI

Wow our tamariki are awesome!!!

A big shout out to our TWW kids who competed at the football tournament last week and represented our kura. Thanks also to matua Troy for organizing such a great event.
