Term 4 Week 5 2017

What Has Happened

Year 5 and 6 trip to New Caledonia

We are back! We are back from New Caledonia with many fond memories. Leaving our parents for a whole week was a bit hard (for some of us) at first but really worth it! We had an amazing time there: our host families were very welcoming and made us feel at home, it was hot and sunny and we did many fun activities: we went to the beach, visited the aquarium, saw native birds and snakes! and loads more. This trip was a very enriching learning experience and we greatly recommend it to our successors!) - by L'Archipel's Year5 and 6 students

RRS Has Talent!

Last Wednesday there was the RRS Talent Show finals. The competition was fierce! Lots of L'Archipel students got in the finals thanks to their amazing work. But there could only be 1 winner (well practically 3: 1st, 2nd, 3rd). Well let's start with 3rd place, Jamie (from the Hub), who was singing. Second place was a tie between a silent comedy by TWW students and Josh and Louis's drum and violin. Finally 1st place... the HEART TS group (love Taylor Swift) with the best dance of the night by Phillippe, Siaan, Gaspard and Margot. Congrats to them 4! - by Louis

Inner City Triathlon

Great work to those Year 5s and Year 6s who went to the Inner city triathlon ! Friday 10th November Hereata, Jeanne, Louis, Maia , Anais and Arthur went to Coyle Park to participate in the Rick Wells trophy 2017 and all gave their best. GOOD JOB ! - by Jeanne

What Is Happening

Our Inquiry: Celebrations

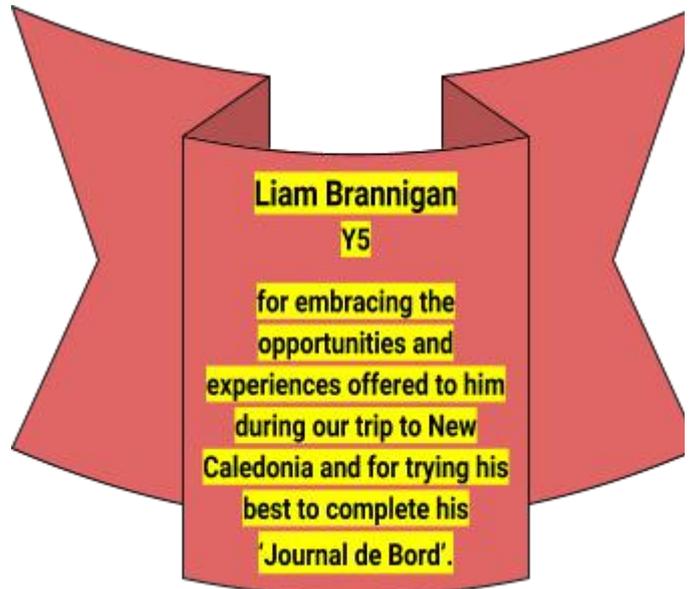

We learned so much about celebrations, discovering the origins of Halloween and how we celebrate La Toussaint in France, learning about Guy Fawkes night or l'Armistice day and the meaning of being together enjoying a birthday cake (thank you Caitlin-Lily). And what better way to dig into this Inquiry than writing letters to thank, wish and share our ideas. We thanked our Archaeologist friends, introduced ourselves to our pen pals in France and wrote to Jonathan, Emma and David to share our excitement about our new classroom. And we haven't started Christmas yet!

And because eating is often a central part of festivities. L'Archipel students are reinstating the unit's vege patch and planting all sorts of vegetables and herbs in the hope to enjoy the fruit of their labour at the end of the term by having a pizza party!
