

What has happened?

Teacher Training

L'Archipel teachers are upskilling in collaborative teacher practice. They have been empowered to try new techniques et bring new solutions to our shared space - while still staying focused, balanced, having fun with students and being flexible and trusted problem solving individuals.

With this joint commitment and having clear vision and goals, we are open to making a change, connecting more and looking at the models of effective practices that we would like to include more often in L'Archipel's daily routines.

Gymnastics

Children are having great time at our gymnastics sessions developing their skills in a variety of areas. For example, the juniors are practising handstand, cartwheel, forward and backward roll and split jumps.

School Assembly Principal's Award

Last week's assembly saw Coco awarded for being a role model of respect towards others, herself and our environment.

What is happening?

Our inquiry

L'Envol Junior class worked really hard in Visual Art to achieve their own version of the "Fruitball still Life" from Burton Morris.

The original:

Some of our children artwork:

Teana

Lucas

This piece of art was produced with dye. Children had to be as close as possible to the original. Once they were done, they could have a go at a second piece, more personal this time. Come and enjoy our wall inside the classroom.

Toucan

This is the last week to bring cans of food (and other non-perishable food) for the Auckland City Mission winter appeal. Help us help them...

Children did an amazing job: we now have two boxes...

Student Collection After School - Reminder

A reminder that school finishes at 3:00pm. Recently there have been a number of our children left at school until at least 3:30 which has raised concerns around their safety from members of our community.

Staff will from today be sending any students remaining in the playground after 3:15pm to the main office and this will be the point of collection.

Please support us in the interests of child safety and wellbeing.
