Adieux

Last Friday we said goodbye to our dear Audrey. L'Archipel staff, students and parents farewelled her with presents, cards and a share afternoon tea. There were a few tears. We are sad to see her leave and wish her all the best with her new life in Kerikeri.

Stories in Le Nid

Last week we had another visit of our amazing storyteller Nathalie and this time we were invited to travel to the Vaud canton. The children learned that Switzerland's largest vineyards are around Lake Geneva, Rhone valley, along Lake

Neuchatel and at the foot of the Jura. Through an animated Chinese shades story we found about the greatest danger for the vineyards - the birds and how the farmers, with the help of their seigneur, worked out the solution to scare them.

At the end, the children had an opportunity to taste the grape wine juice and that was the best of all!

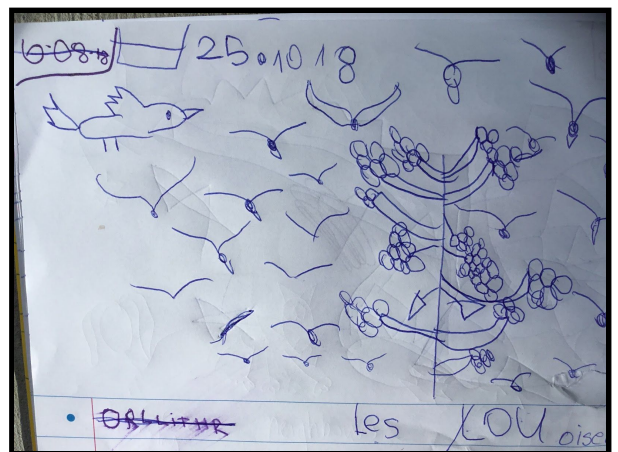

Here are some of our stories:

Léa: "Moi je pense que la reine a donné un épouvantail aux villageois".

Scarlett: "J'aime quand les villageois ont brûlé le gros épouvantail. Les épouvantails ne laissent pas passer les villageois parce qu'ils n'avaient pas tenu leur promesse. A la fin, ils ont apporté du vin aux seigneurs."

Bethany: "Les épouvantails ont fait peur aux oiseaux".

Lilia: "Les oiseaux ont mangé du raisin."

Sending Love Project

Writing project: L'Archipel's students are sending love in an envelope this Christmas.

The *Sending Love Project* is an NZ-wide initiative whereby people (anyone in NZ) make and write Christmas cards, which are then distributed to those who may be alone over the festive period: young and older, in hospitals, women's refuge, homeless shelters, rest homes... You too, parents, can get involved in this initiative! If you write a card for someone in need of extra love over Christmas, bring it to the teachers or send it directly to Sending Love, PO Box 90701, Victoria Street West, Auckland 1142.

L'Envol senior's cards are ready to go!

Book Bag reminder

Please ensure that your child uses his/her book bag to transport library books and readers in his/her school bag. It is to protect them from damage (food and water leaks in particular). We really want to avoid this:

Thank you all for your support with this.
