Richmond Road School

Enrolments for 2026

The Richmond Road School Board invites applications for enrolment for all students wishing to attend Richmond Road School in 2026

Parents of students who live in the school zone should apply to assist the school to plan appropriately for next year. Students who live in the school zone are entitled to enrol in the school if they are applying for Kiwi Connection.

Students who apply for our special programmes (Māori immersion unit, Samoan bilingual unit or French bilingual unit) are selected based on criteria set out in the enrolment scheme (see our website <https://www.richmondroad.school.nz/enrolment.html>). Applications can be dropped off at the School Office or sent electronically to office@richmondroad.school.nz.

If the number of applicants who meet the criteria exceed the number of places available, students will be selected by ballot or points system (dependent on the criteria of the special programme). If a ballot is required, it will be held on 26th September 2025

The approximate number of spaces for 2026 are:

Te Whānau Whāriki (Māori)

12 spaces

Mua I Malae (Samoan)

14 spaces

L'Archipel (French)

15 spaces

Kiwi Connection (English)

15 spaces for out of zone students

If you have any questions please contact the office via email at office@richmondroad.school.nz
All applications must be received at the school office, 113 Richmond Road, Ponsonby, no later than Tuesday 26th August at 12.00pm

For special programmes, the interviews will be held between the 15th and 19th September, 2025. We will confirm the specific dates that are available and the day and time of your interview will be scheduled and communicated with you directly from the school after all applications have been received.
